MOTION TO SEAL AND TO DESIGNATE AS HIGHLY SENSITIVE DOCUMENTS

The United States of America respectfully moves this Court to:

1. seal the indictment, arrest warrant, this motion, any ruling on this motion, and all related orders and paperwork until further order of this Court, except that the government may disclose the indictment and arrest warrants as necessary to effectuate the overseas arrest, detention, or extradition of any of the defendants; and

2. designate all of these documents, pursuant to the Court's Standing Order 21-1 (Jan. 26, 2021), as Highly Sensitive Documents that will not reside on the Court's electronic docket.

In support of this motion, the government states that the public disclosure of any of these materials at this juncture could jeopardize the government's ongoing investigation in this case, including its ability to identify and arrest the targets, and that the identity and activities of the defendants create a high risk that the storage of any of these documents on the Court's electronic docket will result in disclosure through unauthorized access to the Court's computer network.
